

# LIVE TIGGER!

Half Bird! Half Bee! 100% Fairy Stream Mayhem!

Feeds exclusively on miniature bugs known as **TA-GGERS**—so keep your other specimens at a safe distance!

*“They hum like bees... chirp like birds... and strike like lightning!”*

Discovered deep in the glowing groves of the Fairy Stream, the **LIVE TIGGER** is the hybrid creature everyone’s buzzing about! Part hummingbird, part honey-beast and entirely unpredictable—this winged wonder is known for its *lightning-fast* dart attacks and unearthly chirping!
