

LIFE-SIZE UFO!

SOME ASSEMBLY REQUIRED!

***“Now you can explore the galaxy —
one backyard at a time!”***

- Over 150 pre-riveted Stream-Alloy panels (gleaming retro finish!)
- Retractable landing legs with manual stabilizers
- Full inferior illumination module (powered by 3 fairy crystals or household current)
- Optional rotating command dome

No special tools required — just your imagination, a ladder, and a full weekend of free time. Impress your neighbors, confuse local air traffic, and make every barbecue an intersllar event!

**ONLY
\$1895**

**Dept. U-88, Stream-Tech Manufacturing,
Collinsville, Ill.**

(Warranty void if launched beyond Earth's atmosphere)
